14-15-16 DECEMBER 2017

BHRIKUTI MANDAP – KATHMANDU - NEPAL

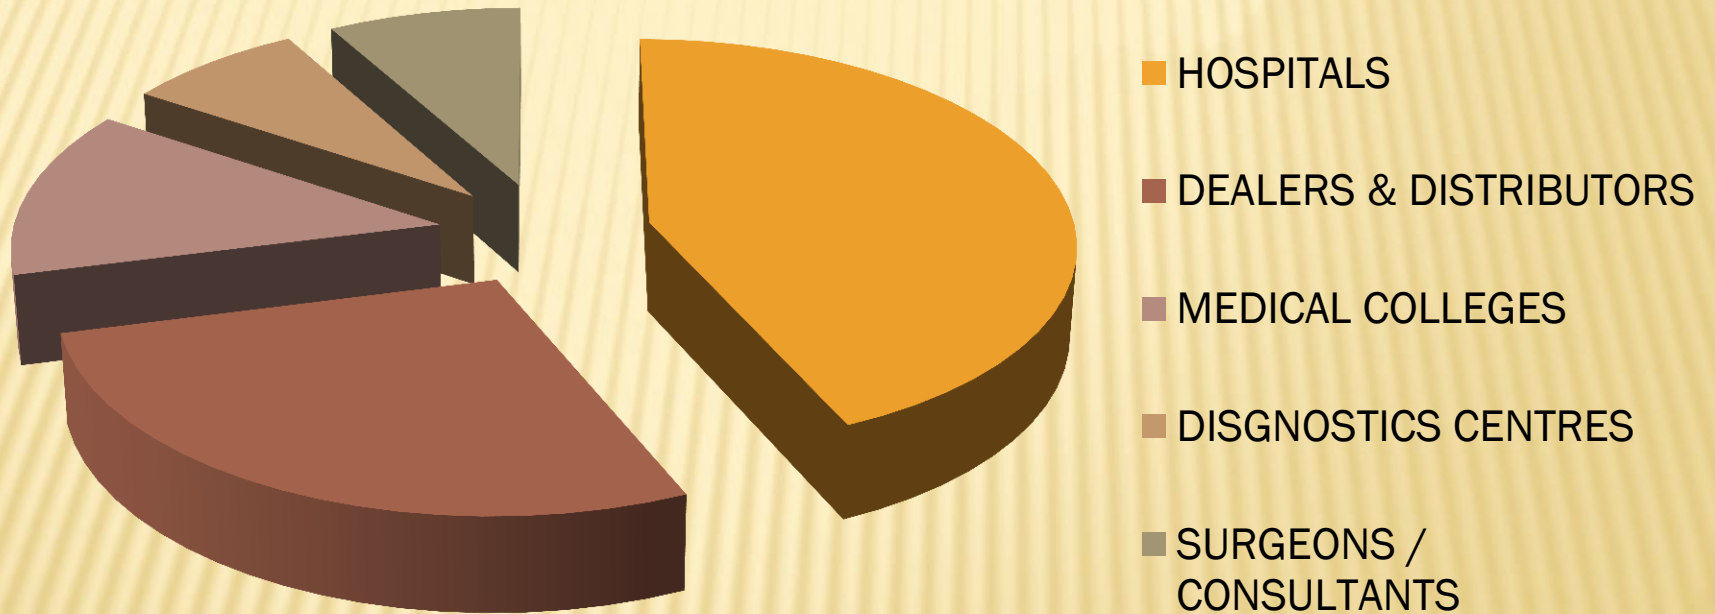

ORGANIZERS

S.D. Promo Media Pvt. Ltd. is the premier trade promotion company serving the needs of sectors like Medical, Scientific, Analytical, Biotech, Education, Pharma and Optical Etc. We are first in India to provide comprehensive and multidimensional services to laboratory and scientific community to research and explore markets, sourcing new clients / partners, informing and educating prospective and existing clients/ partners, showcase their products, build brands, and develop strategic partnerships. We not only have expertise and provide services in Indian market but also cover select foreign markets like Africa, Middle East, South & East Asia.

- ✘ **Nepal Medical Show 2017** has completed on a positive note on 16th December 2017 with **195 numbers of exhibitors, 6500 numbers of visitors, 24 numbers of speakers and 525 numbers of delegates.** The event was appreciated and congratulated by industry captains and institutional heads in Nepal. Decision makers from healthcare and laboratory sector in Nepal had done lot of business with worldwide manufacturers and local distributors. The worldwide exhibitors and local suppliers showed newest products and technologies in two halls in total area of 7000 sq. meter.
- ✘ Furthermore, industry peers and top doctors in conference were educate delegates about latest technologies, updates and developments in healthcare and laboratory segment. We facilitated exhibitors from all over the world to showcase their latest products and technology to buyers and users at a common platform in Nepal. The exhibition provided an opportunity to the participants to connect with global leaders, learn about cutting edge technology, hear about vital research and appreciate the changes the healthcare & laboratory industry is going to witness in near future.
- ✘ The main area of interest and subject of the show included medical & surgical, clinical diagnostic & analysis, hospital infrastructure, consultancy, medical tourism, analytical & lab technology, biotechnology & life sciences, chemical methods & processing, drug discovery & research, education & training, research & development, environmental science, food & agriculture, testing & measuring, and forensic science. It has offered the exhibiting companies to not only present their innovations, products and services but to meet with the key decision makers and find leads and confirmed orders. It also allowed professional visitors to gain comprehensive information about the developments in focal industries. NEPAL MEDICAL & LAB EXPO provided one of the best platforms to doctors, pathologists, hospital administrators, scientists, R&D heads, QC/QA people, decision makers, lab managers, analysts, Directors and research scholars to interact with larger laboratory community. Attendees have got a unique opportunity to not only have the entire spectrum of the medical & laboratory industry in one place, at one time, providing them total solutions but an ideal platform to learn industry insights, connect with peers and grow professionally.

EXHIBITOR TESTIMONIALS

It has been a really good turnout and we have seen a strong international mix of visitors which is good for our plans for International expansion. We look forward to starting negotiations and work on the leads and interest that have been generated in Nepal Medical Show is a good platform continues to bring in the right people.

“GALAXY INDIA” - India

Nepal Medical Show has been a fantastic success for us – so much so that we’ve tripled orders from new accounts. The standard of buyers has been great and certainly of a much higher quality than at other shows.

"Medica Instruments Pvt Ltd" - India

"China Medical Equipment Fair (CMEF) is the best international show I have attended for the medical device market. We have been able to garner a significant number of qualified leads.

"Rossmax Limited" – Switzerland

We were very impressed with both the organization and level of attendance at the show. We had a huge number of visitors keen to look at our equipment.

“HOSPITECH” – Nepal
