## WHY EXHIBIT ?

As an exhibitor at the Nepal Medical Show, you will:

**Connect with key decision** –makers from leading healthcare organizations, including nearly 5,000 leaders in healthcare marketing, information services, and health from prominent hospitals, health systems, academic medical centers, children's hospitals, and physician practices.

**Expand your distribution network** by finding qualified dealers and distributors to represent your products or brands in the Nepalese market.

**Enhance your brand visibility** through numerous promotional opportunities offered with each sponsorship and exhibitor package. There is no better way to position your company as a leader in Nepal's healthcare ecosystem.

**Share your expertise** with attendees through educational presentations and booth demonstrations, contributing to the advancement of healthcare knowledge. Benchmark your company against leading competitors in the Nepalese healthcare market.

**Join the conversation** and become part of the solution that healthcare leaders are actively seeking.
